Letter No 150 dated 23rd August 1921 from the President, Davangere Municipality, to the Deputy Commissioner, Chitaldrug District.

With reference to your No Ref C 122 M1 20-21 dated 10th December 1920 and subsequent reminders calling for particulars regarding the management of Public Library at Davangere, I have the honor to state that Mr N. Narasimhamurti Rao, Pleader and Municipal Councillor, is in charge of the Library as Secretary

It was established in the month of April 1917, is located in the Town Hall, and is being fairly well managed by the Secretary It is reported that the Library has received an income of Rs 315-6-0 up to date from different sources detailed in the margin and the whole amount has been spent for the purchase of books There are at present 218 volumes of Kannada books and 128 of English books It was inspected by the District Economic Superintendent Mr N. Subba Rao, on 10th April 1918 and later on by the Library Organiser Mr Hagappa on 21st March 1920 Books were being freely issued for home-reading till the end of November 1920 but the practice has been stopped subsequently owing to the failure on the part of a few people in returning the books promptly and as it was found very hard to get back the books Since then, the public are being allowed only to read in the Library itself No establishment is maintained for the institution and it is under contemplation that one of the clerks of the municipal office which is located in the same building be made a Librarian giving him some allowance

Enclosure No —

Sir,

I have the honor to state that the - Municipal Council of Davangere when pa - ssing the Budget estimates of the Council for the year ~~1920~~ 1919-20 during the --- month of March ~~19~~ 1919, considered the - necessity of granting an annual contribution of Rs 100/- to the Public Library at Davargere which was located in the -- Town Hall and was very useful for the pu - blic and accordingly approved of the inclusion of Rs 100/- under the Budget for the year refered to and the Budget was -- also sanctioned by the Government retaining the provision therefor

The contribution of Rs 100/- as provided under the Budget for 1919-20 was -

was paid to the Secretary of the Reading Room and Library on requisition in the month of November 1919 and charged to the ~~~ accounts

The Auditors of the Comptroller's Office have t objection for this payment and have stated that the snction of Government should now be obtained for this special charge and - ~~br~~produced at the next Audit, remarking that mere inclusion of an item of expenditure, included in the Budget sanctioned is no au- thority for its payment

Under the above circumstances, I reuqest you to do good as to kindly obtain sanction of Government for the pro sal of the Municipal Council for granting an annual contribution of Rs 100/- towards the Public Library at Davangere from Munic pal Funds
